# What Happens Next?

## Step 1: Pay the SEVIS I-901 Fee

Before you can obtain your F1 visa, you will be required to pay the SEVIS I-901 fee. This is a United States government fee. Please visit [www.fmjfee.com/index.html](http://www.fmjfee.com/index.html) to learn more about this fee and to make payment online. Please note, when making payment, remember to print a receipt of the transaction, since a receipt will be needed at the U.S. Embassy/Consulate when you request your F-1 visa.

## Step 2: Apply for F1 Visa at the U.S. Embassy/Consulate

After making payment of the SEVIS fee above, you will need to visit the U.S. Embassy/Consulate to obtain your F-1 visa. For more specific information, please contact the Embassy/Consulate directly (<http://www.usembassy.gov/>), as regulations vary per country. You can also review <http://studyinthestates.dhs.gov/>. Remember, if you plan to bring dependants (i.e., spouse or child under 21 years of age) to the U.S., you should schedule the visa appointment for your family at the same time. This will help ensure that everyone can travel together and arrive to the U.S. in time for the start date.

## Step 3: Book and Confirm Your Travel

Per U.S. immigration law, you will be allowed to enter the U.S. up to 30 days before the start date listed on your I-20. You can use this time to find housing, open a bank account, obtain transportation and otherwise get settled in the U.S. We strongly recommend you consider arriving as early as possible when booking travel, so you can get settled before your start date.

## Step 4: Make Balance Due Payments

**Tuition for individual courses must be fully paid no later than 28 days prior to the program start date.** If you enrolled in a Prep Package, tuition for each component of your package must be paid no later than 12 months from the date of the first payment made on your Prep Package and no later than 28 days to the start date of each individual component, whichever is earlier. If you do not pay your balance in time, your enrollment and I-20 are subject to cancellation. Please enter your payment information at this secure webpage.

## Step 5: Travel to the U.S.

Upon arrival to the U.S., you will need to be approved entry into the U.S. through the Port of Entry. To be approved, you (and your dependants) must possess a valid F visa, Form I-20 and passport. Make sure you hand carry these documents and do not check them in your luggage. If you lack any of these materials, you may be detained and/or denied entry. Upon entry to the U.S., Customs and Border Protection (CBP) will scan a traveler's passport, generating an electronic arrival record. This record is used to create your Form I-94. This is an important document so upon arrival you must create and keep it along with all other immigration paperwork, in a safe place. To create your Form I-94 after arrival please visit <https://i94.cbp.dhs.gov/i94/request.html>. If you receive a Form I-515A at the Port of Entry, you will be required to submit any/all missing documents to the government within 30 days. Please speak to your center DSO immediately upon arrival to ensure all deadlines are met.

## Step 6: Report to your Center

You must report to the center that issued your I-20 on or before the start date listed on your I-20. Per U.S. immigration law, you are not permitted to postpone your start date once you have entered the U.S. All postponements must be submitted to Kaplan before you enter the U.S. When you arrive to the center, you will attend orientation to learn more about your program and meet the school staff. Please make sure you bring the following documents with you when you arrive:

- Your Form I-20, as well as the I-20 for each dependent (if applicable)
- Your I-94, as well as the I-94 for each dependent (if applicable)
- Your Passport, as well as the passport for each dependent (if applicable)
- Your Visa, as well as the visa for each dependent (if applicable)
- Your local address, phone number and email address
- Proof of Health Insurance

If you do not report to the center on or before your start date, your Form I-20 will be terminated. If you are in the U.S. at the time of termination, you will be placed out of legal status. If you are outside the U.S. at the time of termination, you will not be able to obtain your F1 visa or enter the U.S. Make sure you notify Kaplan International Admissions (or your agent, if applicable) if your study plans change so we can update your enrollment and admissions documents in advance of termination.
